Aksel Dining Collection

## Description

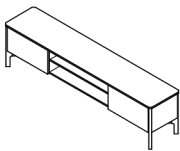

The Aksel dining range embraces a contemporary and elegant homage to craftsmanship and fine detailing. American Oak timber and soft edges celebrate the natural solid nature of the material.

## Material

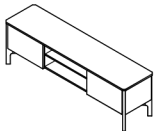

Natural Oak typically has a fine grain that is strong and visible with few markings or features. Please be advised that timber is a natural material with grain detail, colour and finishes subject to variation. Additionally solid timber will be more susceptible to movement in warmer climates.

## Warranty

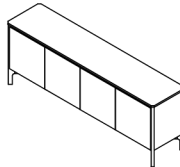

All of our product is backed by a 12 month structural warranty.
