

ASTON

Dining Chair

Description

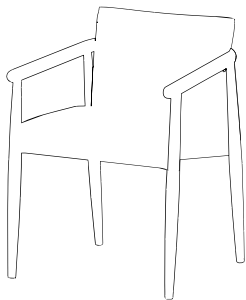

The Aston dining chair creates a classic and refined feel to any space. Elegant with a nod to traditional chair design.

Material

American oak is a highly distinctive timber used in contemporary furniture design, identifiable by its even and uniform strong timber grain. A beautiful timber to stain and hard wearing which makes it an excellent choice for furniture. A light blonde colour makes it an easy fit into many colour palletes.

Warranty

All of our product is backed by a 12 month structural warranty.
