

DENMARK

- Sofas from Sofa & Soul will quickly become a gathering spot for the family.
- With its modern and timeless design, it easily complements any room, making it the perfect addition to your home.
- Denmark comes with modern black steel legs or legs in oak. The legs in oak are offered in several different finishes.
- The seat and back cushions on sofas in leather will be delivered with centered baseball stitching.
- **Construction:** Denmark is made with a hard wood frame with loose seat and back pillows. The seat and back pillows are filled with a mixture of ball fiber and down.
