

SPACE RECLINER & OTTOMAN

SPACE 57.57

The space recliner is a statement in contemporary seating design. Tight beautiful curves and laminated bent wood wrapped in sheepskin or aniline leather creates combination of materials that just stunning. Its pneumatic reclining system micro adjusts the reclining angle for perfect comfort position. With 360° of swivel motion and an adjustable headrest, this is more than an amazing recliner - its the future in seating - and and its available now.

BENEFITS

"JUST RIGHT" HEADREST

Exclusive adjustment system that allows your head and neck to rest in an infinite number of comfort positions.

UNIQUE RECLINING-SYSTEM

The gas-lift based reclining system allows you to effortlessly recline and change back angle as your heart desires. You can also easily lock the preferred back angle position. The seat do not move when reclining.

360° SWIVEL

With a very smooth 360 degree swivel mechanism you can easily rotate the chair in either direction while seated. Our swivel mechanism offers effortless movement and unsurpassed stability.

FREESTANDING FOOTSTOOL

Our footstool is ergonomically designed to provide the best support and becomes an essential part in providing unsurpassed comfort. It is angled for enhanced leg support and better blood circulation.

GREEN AND DURABLE FOAM

The IMG cold cure moulded foam process is unique and guarantees absolute comfort, durability and a cleaner greener product. This space-age material encases the interior steel frame and sinuous springs allowing for body-friendly curvatures to be covered with glove-fitted upholstery.

THE CHOICE IS YOURS

Available with oak and american walnut veneer. You also have a choice of numerous of leather and micro-fiber upholstery as well as different base finishes. See your IMG dealer for the many custom options.

WARRANTY POLICY: Ten years on steel structure and mechanisms. Five years on wood base and molded foam cushions. Two years on leather and fabric covers.
