

Config. 1

Config. 2

Details:

Seat Height 38cm | Depth 110cm

The Blanco Modular sofa is at the height of comfort - designed with a metal frame structure and is fully upholstered possessing a feather down / foam blend with roll cushion support. Blanco also comes comfy with an oversized arm cushion and 2 x scatter cushions. The Blanco metal frame sofas are made from galvanised steel and are fully welded, coming with a 25year structural warranty. (Stronger and more durable than a traditional hardwood frame).

At Sofa & Soul we have 2 configurations available to order in Enzimi fabric, colour cream. We also have a backorder option with a **20 week lead time** (lead times can be subject to change) if you wish to have a different fabric + colour and/or we are out of stock.
